### The new “Breakfast in a Bag”

Sadly, we are unable to serve breakfast in our dining room due to social distancing so instead have come up with a delicious alternative which I can bring to your room in the morning, easy to eat and fun too!

A choice of either –

A traditional Oxford Butchers Sausages in a wholemeal bun  
With mustard mayo and ketchup

or

A locally sourced proper butchers bacon bap  
With a pot of home-made chutney

or

Two home-made banana and oat muffins  
With a pot of home-made blackberry & apple jam

or

Very Berry Good Breakfast Parfaits with layers of  
Greek yoghurt, berries and muesli crunch in a jar.

Included in each bag is an individual bottle of orange juice  
And piece of home-made Madeira or Lemon Poppyseed cake  
(which type of cake will be dependent on which ingredients I can source that week!)

Orders need to be taken on arrival and please kindly leave the bottles and jars outside the room afterwards as we are trying to avoid using plastics where possible.

**Thank you!**
